2. Nuisance; A nuisance that has attacked our domestic tranquility has been unlawfully created by habitude. This includes: (1) Violations to the separation of powers by members of the judicial branches; (2) The creation, protection and promoting of the

1 judicial fraud industry, that sells injustices to the highest bidders; (3) the creation of
 2 "Nobility" or the taking of the "prohibition" of providing special privileges and
 3 immunities to members of the public sector, and providing the King's subjects with the
 4 best employment; (4) The use of public funds for personal political purposes (bribing
 5 voters) (5) The use of public offices for political purposes (using public offices to silence
 6 political opponents) (6) Using media allies for political purposes (trading in special
 7 influence);(7) The unconstitutional taking of our lives, liberties and properties without
 8 just compensation (slavery), pessimistic destruction of industry (8) Interfering with our
 9 free elections, including but not limited to voter fraud. In order to properly address
 10 these nuisances it will be necessary to conduct a Reoccurrence to our Fundamental
 11 Principals as described in WSC Article I section 32.

- 12 3. Fraud; The Deep State Defendants are fully aware they are involved in maintaining
 13 protecting and promoting the Judicial Fraud Industry the sells injustices to the highest
 14 bidders and victimizes all economically vulnerable individuals. The Deep State
 15 Defendants are maintaining protecting and promoting the Judicial fraud industry by
 16 allowing their members to violate the separation of powers and infiltrated our executive
 17 and legislative branches to establish laws to maintain protect and promote the judicial
 18 fraud industry and their oligarchy. The violation s of the separation of powers by judicial
 19 branch members created a situation where they were obligated to extend special
 20 privileges and immunities to all other state officers and employees, in order to protect
 21 their own illegal acts. The defrauding of the people by members of the judicial branches
 22 has created many fraud schemes including the taking of private properties for public
 23 uses, and are determined they are not going to submit to eminent domain protections.
- 24 4. Constructive Fraud; The Deep State Defendants targeted and used young naive
 25 individuals to enslave them without honestly explaining to them they are planning to
 26 subject them to involuntary servitude. The enactment Of Amendment XXVI section 1
 27 Extending The Right to Vote To Citizens Eighteen Years of Age Or Older was a product of
 28 well entrenched deep state politicians (a Nazi Gestapo Tactic) determined to take
 29 advantage of the immaturity of today's youths.

- 1 5. Defamation; The Deep State Defendants conspired with powerful uncontrolled news
2 media personnel to spread rumors, lies, deceit, deceptions, and defamation of
3 characters in order to protect their economic interests in their deep state fraud
4 industry.
- 5 6. Breach of Contract; The Deep State Defendants breached our constitutional trust
6 agreements by engaging in schemes to take our constitutional protections from us and
7 prevented free elections so we could address the problems with our society they have
8 created and pursued out of greed and thirst for power. Some of the nuisances they
9 devised and implemented over time are bribing voters with promises of social programs
10 which is a bribe and a violation of law, that has been ignored out of habitude; Using
11 their public offices for their own personal political purposes is also an illegal use of
12 public funds.
- 13 7. Assumption of Duty; Governor Jay Inslee, Robert Ferguson, Mayor Jenny Durkin , the
14 Seattle City Council members, and the Seattle City Police Force all violated their
15 Assumption of Duty when they ignored their duty to protect the people in and around
16 the Chaz Zone, their motivation to fail to exercise reasonable care was purely political
17 and they used the situation to intimidate voters and wrongfully influence voters, exactly
18 like the Nazi Gestapo Party of Germany did before they submitted the world to their
19 terror.
- 20 8. Quantum Meruit –Unjust Enrichment; The Deep State Defendants and their accomplices
21 used pessimistic threats and promises of social benefits to bribe voters knowing full well
22 that (1) using public funds for political purposes is illegal and (2) the social benefits they
23 promised (when the campaigned to get elected has completely destroy the economic
24 viability of most of the urban areas of our Republic and will continue to destroy the rest
25 of the areas.
- 26 9. Tortuous Interference; The Deep State Defendants and their accomplices have attacked
27 our constitutional trust agreements to the point they are no longer valid and
28 enforceable; (1) they have taken most of our personal and real properties in the name
29 of taxes, levies, fees and fines without just compensation; (2) they have enslaved us in

1 order to increase and protect their own wealth, power and security; (3) they have
 2 provided special privileges and immunities to themselves and their accomplices in order
 3 to protect their own wealth, power and security. (4) They have converted our system of
 4 official bonding to public insurance schemes that provides special privileges and
 5 immunities to corrupt public officials and makes innocent taxpayers accountable for
 6 their wrongful acts (communist fraud schemes).

7 10. Undue influence; The County Auditors and the Secretary of the State of Washington all
 8 violated our guarantee of free elections by; (1) Allowing public officers and political
 9 candidates to threaten voters; (2) Allowing public officers and political candidates to use
 10 their public offices for their own political purposes; (3) Allowing public officers and
 11 political candidates to bribe voters; (4) Not taking reasonable care to insure illegal ballots
 12 would not be cast such as nor residents, illegal aliens, individuals casting multiple ballots
 13 for mentally incompetent individuals, deceased individuals and phantom individuals.

14 11. Intentional infliction of emotional distress; The Deep State Defendants all benefited by
 15 receiving economic gains, power and security from taking our constitutional protections
 16 from us.

17 12. Conspiracy; The conspiracy involved with the Deep State Defendants and their
 18 accomplices is not a new theory at all, it is an age old problem with deeply entrenched
 19 public officials involving greed, security and thirst for more power("Nobility"). The
 20 conspiracy becomes far more complex as to how we have the ability to expose it, and
 21 disband it or break it up because it involves most of the members of the judicial
 22 branches as described in RCW 9A.28.040 (2f)¹ who are capitalizing on it and counting on

¹ **RCW 9A.28.040 Criminal conspiracy.** (1) A person is guilty of criminal conspiracy when, with intent that conduct constituting a crime be performed, he or she agrees with one or more persons to engage in or cause the performance of such conduct, and any one of them takes a substantial step in pursuance of such agreement. (2) It shall not be a defense to criminal conspiracy that the person or persons with whom the accused is alleged to have conspired: (a) Has not been prosecuted or convicted; or

(b) Has been convicted of a different offense; or

(c) Is not amenable to justice; or

(d) Has been acquitted; or

(e) Lacked the capacity to commit an offense; or

(f) Is a law enforcement officer or other government agent who did not intend that a crime be committed.

1 it to provide them with power, special privileges and immunities. In order to protect
2 their special privileges and immunities the members of our judicial branches have
3 turned blind eyes and deaf ears onto many of the criminal violations we have pointed
4 out herein, such as RCW 29A.84.062 Hindering or Bribing Voters, RCW 29A.84.630
5 Influencing voter to withhold vote, RCW 9A.68.040 Trading in Public Office, RCW
6 9A.68.050 Trading in Special Influence, RCW 9A.68.030 Receiving or Granting Unlawful
7 Compensation and RCW 29A.84.720 Officers – Violations Generally by engaging in
8 threats, the silencing of political opponents, corrupt solicitation, bribery and allowing
9 the casting of illegal ballots. As such many of the members of our judicial branches are
10 either directly involved in the criminal conspiracy or complicit in it, by allowing a
11 magnitude of attacks on our constitutional trust agreements. The practice of law by
12 lawyers in the peoples' courts has shown us most of our law professors' are more
13 concerned of teaching the tools of the judicial fraud industry trade such as the arts of
14 deceit, deception and fraud than the fibers of moral turpitude. In order to protect their
15 judicial fraud industry and the general defrauding of the private sector they are all in
16 violation of the oath of offices. We contend the defendants will be compelled to provide
17 evidence to the peoples' court to prove what they have (1) personally done to expose
18 the judicial fraud industry for what it is, (2) to end the violations of the separation of
19 powers by members of judicial branches who have infiltrated our legislative and
20 executive branches to create and protect special privileges and immunities for their
21 members and their accomplices, (3) to enforce violations to our constitutional trust
22 agreements and (4) oaths of offices.

23 13. Negligence; The Deep State Defendants and their accomplices are all negligent in
24 protecting our constitutional trust agreements, and following our laws, they are more
25 concerned about defrauding us and providing themselves with economic gains, security,
26 power, special privileges and immunities that protecting and enforcing our
27 constitutional trust agreements.

1 14. Conversion; The Deep State Defendants devised schemes to deprive us of the right to
2 enjoy the possession of our tangible property, in order to attempt to generate funding
3 for them and their public employee accomplices monetary gains.

4 15. Assault; The Deep State Defendants determined to keep their public positions of
5 employment assaulted me and my political supporters in an attempt to intimidate us
6 and silence our political efforts to show how criminal they are to the general public.
7 Their allies in the judicial branches who also held public office provided them special
8 privileges and immunities in order to conceal their criminal acts from the general public
9 so that they would be re-electable. These acts involved the criminal acts of Trading in
10 Special Influence, Use of Public Offices for Political Purposes and wrongfully Influencing
11 voters ("corrupt solicitation").

12 16. Specific Performance; The Deep State Defendants and their accomplices have denied
13 us political power and free elections by engaging in the actions described herein ie: (1)
14 conspiring and organizing together to silence our political efforts by pursuing illegal
15 criminal charges against us; (2) using public funds for political purposes by promising
16 increasing social benefits(bribery); (3) they have taken most of our personal and real
17 properties in the name of taxes and without just compensation; (4) they have enslaved
18 us in order to increase and protect their own wealth, power and security; (5) they have
19 provided special privileges and immunities to themselves and their accomplices in order
20 to protect their own wealth, power and security; (6) Allowed public officers and political
21 candidates to threaten voters; (7) Allowed public officers and political candidates to use
22 their public offices for their own political purposes; (8) Allowed public officers and
23 political candidates to bribe voters;(9) Did not take reasonable care to insure illegal
24 ballots would not be cast such as non residents, illegal aliens, individuals casting
25 multiple ballots for mentally incompetent individuals, deceased individuals and
26 phantom individuals.

27 We reincorporate our original complaint into this amended complaint and reserve the right
28 to amend up to and during trial.

29 REQUEST FOR RELIEF

1 Injunction, Preliminary: We seek a temporary injunction stopping the certification and entry
 2 of the electoral collage vote in the State Of Washington until these matters are resolved and
 3 our Secretary of State can prove the November 3rd 2020 election was an honest and fair
 4 election free from criminal activity of political candidates and the casting of ballots. We also
 5 seek a Preliminary Injunction ordering all Washington State Representatives to conduct a
 6 reoccurrence to our fundamental principles, that includes evaluation all laws that were created
 7 during violations to the separation of powers that provided for special privileges and
 8 immunities and created any form of "Nobility" and preventing any Representative that has a
 9 "conflict" to be involved in the evaluations as described in WSC Article II section 30 Bribery or
 10 Corrupt Solicitation.

11 Injunction, Permanent; We seek permanent injunctions ceasing the illegal actions described
 12 above that have wrongfully and illegally developed over habitude. We seek equal opportunities
 13 and equal protections of law and that includes term limits for all public officers and employees,
 14 and monetary compensation that does not place them on pedestals above average working
 15 class individuals.

16 We seek monetary damages in an amount high enough to discourage these types of Deep
 17 State Individuals from organizing and engaging in these kinds of attacks on our constitutional
 18 form of government in the near distant future.

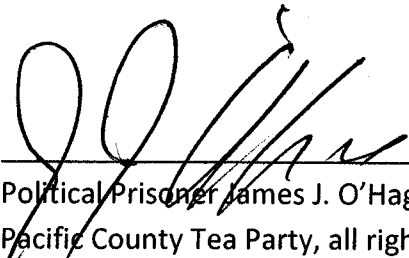

19 REQUEST FOR THREE JUDGE PANNEL

20 Since the issues we raise herein address serious allegations against the judicial branches we
 21 respectfully request a three judge panel of judges that are not bias, or influenced or intimidated
 22 by their BAR member counterparts and will evaluate our allegations as described in RCW
 23 42.17.010 (2-6) and without malice as described in RCW 42.17.020 (1) Actual Malice. We
 24 respectfully request the Judge (and/ or) Judges involved express to us whether or not they are
 25 accomplices of members of the judicial branches violating the separation of powers and
 26 infiltrating our legislative and executive branches, and are going to take actions against us to
 27 protect the powers derived therein.

28 JURY TRIAL DEMAND

1 We demand a Grand Jury Trial (investigation) to determine any and all of any contested
2 facts alleged herein.
